BETTY M.(MEYER) MEAD

I
JOHN MAYER of German ancestry,lived in Austria. Was an educated man. Married a Bohemion girl named Elizabeth. She could speak no German,so her language was spoken in their home. They had only one child.
Issue:
11- John born 2-2-1824 Austrelia,Bohemia.

II
JOHN MEYER born 2-2-1824 Brezany,Poste Cista u Rakovnika,Okres Kralovice,Czechoslovakia. He was an only child. Soldier in Austrian Army ten years. Left a splen did record. Fine marksman. Learned to speak the German language while in service. Was for a time,chief gardener of an estate in Austria. Received a good education. A man of medium stature,had black hair,and very dark brown eyes. Married a widow,Frances ( ) Swartz, with three daughters,Mrs.Cloudy,Mrs.Steimer, and Mrs. Langer. Four children,three sons,and one daughter,were born in Europe to John and Frances. This family came to America in 1862,we were told. Stopped in Omaha,Nebr. then went to Dodge county,near the present town of Snyder,and filed on a homestead May,20,1862. The deed was signed by President U.S.Grant,so John must have become a citizen between 1862 and 1877. He cultivated beautiful flowers around the house. Became a successful farmer. Frances died about 186?/?,and was buried in the Cemetery at St.Charles Church between Snyder and West-Point,Nebr. John married a second time to Anna Kotnurova (widow) with one son. She was born 7-25-1846 in Klucenice,Okres Milevsko,Czechoslovakia. Anna came to America on a Sail Boat. She made statement,that on this same ship,were August Geringer and wife,who later became editor and owner of the Chicago Daily Svornost. Anna short of stature,with blue eyes and fine golden hair,was a devout member of the Bohemion Catholic Church. John taught her to read the Bohemion language,and after his death,she spent many hours reading magazines, and the Daily Svornost. He,known as "Honest John" had a good voice,and sang to his children. Played the accordian. John was not a strong adherrent of the Catholic church,but kept up his membership. He had a fine sense of humor,and was not fooled with "fairy tales." I remember how his eyes twinkled,and the intelligence in them. His face is impressed in my memory as being that of a man with firm convictions,and good character. About 1904,John and Anna retired from the farm,and bought a home in Snyder,where he died 9-20-1908 and

was buried in the Catholic Cemetery of Snyder,Nebraska. Anna,a neat and competent housekeeper,is remembered by me,as a lady of courage; When a child,I saw her rush in to a burning barn to rescue a horse. She was injured in this daring deed,but saved the horse. It seemed that all nature loved her,she was so successful with animals flowers,her fruit trees,and vegetable garden. Anna's mother (in Czechoslovakia) died about 1895,and her father many years earlier. John's parents died prior 1862. Anna continued to live alone in Snyder,until her health failed,when she was taken to the St.Joseph Home (a Paying home for old folks) in West Point,Nebr.,where she lived about eighteen months,and died there 7-8-1923, and was buried by the grave of her husband John Meyer, in Snyder. John and Anna had five children.

CZECHOSLOVAK LEGATION
2349 Massachusetts Avenue
WASHINGTON D.C.

August 27,1935

No.2903/35

Dear Madam:

Replying to your letter of August 15,1935, the correct names of the places you refer to are as follows:

Březany
Posta cistá u Rakovníka,
Okres Kralovice, Czechoslovakia

Klučenice,
Okres Milevsko, Czechoslovakia

Not being informed of the exact nature of the information you are seeking,I suggest that you address your communication to the Obecnć úřad of the respective towns where it will be forwarded to the proper authorities.

Very truly yours,

Ales Broz

First Secretary of the Legation

After receiving above letter,I sent several to proper authorities in Czechoslovakia,hoping to find relatives of my grandmother Anna Kotnurova-Mrs John Meyer,but had no success. Anna corresponded with her people who did not come to America,for many years. The letters and all addresses,Anna had carefully saved,were accidently burned after her death,and before I became interested in research. Her children remember only two names- Barbara, and Josefa. It is thought that either Barbara or Josefa was Anna's mother,and the other Anna's sister.

Some years ago,we heard that Anna had a brother Joseph who lived in Chicago,and an attempt was made in 1942, to find some trace of him,by placing advertisments in two of the leading Bohemion newspapers in Chicago. No replies were rec'd. The latest report is that Joseph was the name of Anna's first husband. They lived in Chicago. Anna always stated that "I came to Chicago -

the year of the big fire." After the mysterious disappearance of her husband,she went to Omaha,Nebraska. A daughter of a dear friend of my grandmother,stated recently,that grandmother's friends and neighbors in Chicago believed,that Anna's husband was killed when on his way home from work in the evening. They stated that he was a good kind man,and loved his wife and son dearly,so there was no reason to think that he had deserted them. No trace was ever found of him. The son was adopted by Anna's second husband John Meyer.

THE DAILY SVORNOST

Chicago,Illinois
Nov.12,1936

Dear Mrs.Firestone:

I regret exceedingly that I cannot give you the information you asked for in your letter of November 4th,1936,addressed to my father,August Geringer,who has been dead since April 1,1930.

I have heard him speak about Klucenice which is not far from his birthplace and not far from where his father was teacher. Your grandmother may recall the name of the place Lasovice.

My parents came to this country in 1869. I have never heard them mention the name of the boat.

Your grandmother must be quite old,and her biography along with her picture should prove very interesting. Please have her relate all the particulars of their travels,early life,trials and adventures as well as their later successes to you,so that you could make a memorandum thereof. The story need not be connected, nor do you have to trouble yourself about the style. We have able editors who will put all these details into shape for publication. I am sure that you will please her very much by doing so. In this narrative you can include all that you remember regarding your grandfather.

Trusting that we will hear from you soon,I am,

Very Truly yours,

V.A.Geringer

Dear Mrs.Firestone:

I'm very sorry that I had not been able to answer your letter sooner,but due to the fact that my father, Joseph Kotnour,passed away on January 31st of this year I could not send you any information what soever.

I finally located a friend of his who lived in the same village as he in Czechoslovakia. The friend offered little information about my father's mother. She said that my grandmother often mentioned that she had a daughter. My father never mentioned any thing at all about having a sister. All these years we took it for granted that he was an only child.

He was born January 2,1865 in Zahoranech,Okres Milevsko in Czechoslovakia,and came to America in 1886.

I remember vaguely of the time when I was single,of writing letters for my father to his mother. They were addressed to Klucenice,Okres Milevsko, since that was the Post Office. I don't know definitely if her name was Josefa or Anna,but I do know that she had two sisters, one whose name was Barbara.

If my father were only here,I'm sure he would have been able to help you considerably.

My maiden name was always spelled Kotnour. It has never been shortened. My father and mother had eleven children,four boys and seven girls,of whom eight are living. My mother passed away June 13,1941,and seven months later in January 1942,my father passed away.

I certainly hope this little information will be of some help to you.

Sincerely

(Mrs) Anna Kraus

.....

Either from Mrs.Kraus,or from Frank V.Kotnaur of 3330 Pensacola Ave.Chicago,I rec'd information that :-
Kotnurova is the feminine spelling
Kotnour is the masculine spelling
